Info request delays gun range

by Ariel White

The range proposal in Lutterworth Township has been delayed, as the Ministry of Natural Resources has asked for additional information from the proponents of the planned one thousand metre rifle range north of Kinmount.

Scott Dingwall and Peter Waring of the MNR made a presentation to the Lutterworth Municipal Council, explaining what stage the project has reached, and what is required before the Home Range Venture is continued. According to Dingwall, the Ministry of Natural Resources has received between 150 to 160 letters and petitions, for and against the construction of the Home Range Venture.

The rifle range requires a significant buffer zone, so the developers, Linda Miller and Keith Cunningham have applied to the Ministry to lease or purchase, several hundred acres of adjacent Crown Land. The total area, including the property they already own, would amount to nearly 1,800 acres, with 1,200 acres being part of the safety template.

"We've looked at the information received to date and the district manager had decided that he does not have enough information," said Dingwall. The ministry would like to see several areas addressed by the developers before the process is taken any further.

Dingwall pointed to eight areas of concern raised by those who wrote to the Ministry on the subject of the Home Range Venture. The Ministry narrowed down the topics that were repeated in the submissions from the public. These included, additional specific information on the issue of safety in the land surrounding the range. Dingwall felt that there was some confusion in communication between the developers and those concerned with the project. As

The old heave ho

His face etched with strain, one of the competitors in the Haliburton Highland Games sends the hammer flying. The village welcome hundreds of spectators and participants for the annual event held at Head Lake Park.

A summer of scarecrows

There is a bunch of new people moving into Minden's business section this summer. They are quiet and quite friendly, unless, of course, you happen to be a crow.

The invasion of scarecrows is part of a community-wide promotion sponsored by *The Times*. Minden area businesses are being asked to create scarecrows and place them on display in front of their stores.

"We are encouraging the merchants to use their creativity in designing the scarecrows," sales representative Autumn Davis said. "The scarecrows could be done in a style which reflects the business sponsor, a local theme, or just a traditional scarecrow design."

The Times hopes that enough merchants will participate creating an additional point of interest to draw visitors and shoppers to the community. "We believe the scarecrow displays will help put the community on the map for the summer," publisher Jack Brezina said. "They are friendly, fun way to dress up

These two traditional scarecrows were the first to appear in front of a Minden business. You'll find them outside of L'il Bitza Bargains on Main Street.

the business area and get people talking about Minden."

Participation is voluntary and there is no entry fee. The only cost is the materials and time needed to create the scarecrows. Participating merchants are asked to register with *The Times* so we can photograph the scarecrows and publicize their location. That list will start with next week's newspaper. (Scarecrows are already on display at a number of businesses including L'il Bitza Bargains, Headlines Hairstyling, The Storeroom and *The Times*.)

We are also asking the public to help select the best scarecrow display of the summer. Each week a ballot will appear in the newspaper and readers are invited to fill it in, naming their favourite. We will tally the votes and by the end of summer award an advertising package to the business whose scarecrows are voted the most popular by our readers.

So *The Times* encourages the businesses to get into the spirit of the summer and design a display for the front of their store. And we hope everyone will appreciate the creativity of local merchants, everyone that is except perhaps the crows.

GARAGE BAND: The setting was a little rough, but the music was sweet as Don and Sheila Popple hosted a summer barbecue at their Drag Lake home for the benefit of the Haliburton Highlands Health Services Foundation. The music was provided by Melissa Stephens who accompanied violinist Robert Skelton, a University of Western Ontario music professor. He is Don and Sheila Popple's brother-in-law. The two were forced to set up their impromptu stage in the garage when darkening skies threatened rain. Shortly after they started to play, the sun broke through and they moved their concert out of doors. Nearly 150 Drag Lake property owners and permanent residents from the community attended the event, raising over \$13,000 for the Foundation.

Irene Moore honoured at Canada Day presentation

Longtime Minden resident Irene Moore was honoured during the Canada Day ceremonies in Minden.

Reeve Jeanne Anthon and Museum Board Chair Larry Hodgson presented the plaque to Irene recognizing her many years of service to the community.

"It was on Dominion Day, 63 years ago today, that Irene Moore first walked the streets of downtown Minden," Reeve Anthon said as she introduced the guest of honour.

Irene is perhaps most closely associated with the community's library. For many years, she served as the librarian and was a constant supporter of the facility.

"In 1942, the existing

library was destroyed by fire and everything was lost," Jeanne said. "Irene and the late Jeanne Sears (and their respective babies) went house to house in the community to collect books to restock the new library. Irene then became librarian, serving in the facility which has moved several times," the Reeve said during her presentation.

Irene and Jeanne Sears were instrumental in obtaining the old 1915 Sterling Bank as a new library. That building is still in use at the museum. Jeanne told the audience that it must have been her love of reading which motivated Irene, because the compensation for the job was just \$4 per month.

"When the Minden Museum opened in 1984, Irene was recognized for her extraordinary volunteerism which included her help in acquiring

Museum chair Larry Hodgson, and Reeve Jeanne Anthon presented Irene Moore, right, with a plaque honouring her many years of service to the community. The presentation took place during the Canada Day festivities.

many of the buildings on the grounds," the reeve told the crowd.

Irene has been the chair of the museum board and was always involved in the many fund-raising ventures including tea rooms and yard sales. Jeanne also pointed out that she has been a steadfast member of the Minden Women's Institute and the Minden United Church.

"We thank you for you many years of dedication and loving service to our community and we wish you continued good health and happiness," the Reeve concluded.

Irene thanked everyone for the honour presented to her and for the tributes offered. She said Minden was great place to raise a family and she was pleased to have been part of this community.

Highlands OPP detachment opens

by Ariel White

Most of Haliburton County is now officially on its own when it comes to police services following the official opening of the newly created Haliburton Highlands detachment of the Ontario Provincial Police last Friday.

Eight of the municipalities in the county (Bicraft and Cardiff Townships will be served by the Bancroft detachment) will now receive policing services from the stand alone detachment. Police boundaries will now be determined by municipal lines. The complement at the detachment includes one staff sergeant, four sergeants, 22 constables, two clerical staff and one cadet. County Council has also requested funding from the province for two additional constables, but is still awaiting confirmation.

Many of those who attended the ceremony at the Highway 35 office of the OPP were also present when the new location of the former Minden/Coboconk detachment had been officially opened last year.

(more on page 24)

CPAC Chair Jim McMahon and OPP Commissioner Gwen Boniface officiated at the unveiling of the Haliburton Highlands OPP Detachment.

Annual meeting of Canning Lake POA told

Low calcium level could stem zebra mussel invasion

A lack of calcium in appreciable amounts may be the one thing standing in the way of a major invasion of zebra mussels into Canning Lake.

That bit of good news was provided by Francine MacDonald of the Ontario Federation of Anglers and Hunters, when she addressed the annual meeting of the Canning Lake Property Owners Association Sunday, July 4.

MacDonald told the gathering that the lake is right at the "threshold" when it comes to the calcium content of the water. She said the zebra mussel is a shellfish which requires a large amount of calcium for the formation of its shell. Since the lake is not rich in calcium the zebra mussel may not be able to colonize the lake as it has in other bodies of water further south.

The biologist described how in some lakes the prodigious shellfish has clogged water lines, fouled motors and created havoc at water intake pipes because of its rapid and prolific growth. "One zebra mussel can generate one million eggs in a season," she told the members of the association. A zebra mussel grows to the size of a finger nail, can usually be found attached to a fixed object like a dock, channel buoy, plant stem or boat hull. The shell of the mussel has brown, white and yellow stripes.

MacDonald had been asked to speak to the organization, because evidence of zebra mussel had been found in the Canning Lake water. The shellfish, which first appeared in Lake St. Clair, north of Windsor, just ten years ago, has spread throughout the great lakes and much of the Trent/Severn and Rideau waterway systems. The larva stage of the fresh water clam has been found in Canning Lake. These "veligers" could develop into full grown zebra mussels by next year, if there is enough calcium in the water to support their development.

"A lot depends on the lake's chemistry," she commented. "They need a minimum of 12 degree Celsius to reproduce. The lake gets that warm and there is calcium in the water, so it is just a matter of whether there is enough." In her assessment she felt the calcium level was not sufficient to support a major infestation, but cautioned that her prediction cannot be considered the final word and they would just have to wait to see what develops next year.

The zebra mussel is just one of many so-called invading species which the Ontario Federation of Anglers and Hunters is attempting to deal with, MacDonald told the meeting. She said the conservation organization has been attempting to spread the word on a variety of species which have "invaded" North American lakes and wetlands, most carried here in the bilges of international freighters. Other examples of invading species include the spiny water flea and the plant purple loosestrife. Since these imported species have no natural enemies when they arrive, they flourish and force out existing populations or

create problems such as those caused by the zebra mussel.

MacDonald said that once an invading species get established in an area there is little that can be done to eliminate its presence. The effort of the OFAH is to educate the public on how to avoid assisting the species from advancing from one area to another.

In the case of zebra mussels, she noted that the larva stage of the mussel, which is invisible to the naked eye, is transported in the bilge water of pleasure craft, in bait bucket and live well water or in the water left in the cooling system of an outboard motor.

She offered a number of suggestions for ensuring the transfer does not occur. MacDonald suggested that bait water be poured out on land or into the lake from which it was taken; that boats either be left to dry for at least five days to kill any larvae clinging to the side of the craft, or scrubbed down with hot water or a high pressure water hose. Motor cooling systems should be drained when the boat is taken out of the water or onto land far from a water body. By following these simple rules, she pointed out that the spread of zebra mussels can be reduced.

Following her presentation a number of members of the association offered comments. One suggested that signs be posted at boat launches requesting that visiting boaters ensure their crafts are not carrying water from another lake system. Another member wondered what effort is made to ensure that boats taking part in fishing tournaments are properly cleaned before being launched. Anyone interested in more information is invited to call the OFAH/MNR invading species hotline at 1-800-563-7711.

Two reeves

Since Canning Lake straddles two municipal jurisdictions, the reeves of Anson, Hindon and Minden

Francine MacDonald, biologist with the Ontario Federation of Anglers and Hunters addresses the annual meeting of the Canning Lake Property Owners Association.

and Snowdon Township were in attendance. (Snowdon Reeve Ross Rigney's attendance was all but assured since he and his wife hosted the meeting on their lakeside property.)

Anthon was the first to address the audience. Responding to questions from the membership, she told the meeting that the widening and reconstruction of Highway 35 is slated to begin this fall. She told the members that the Ministry of Transportation had assured the council that at least one lane of paved surface will be available in each direction on weekends during the construction phase.

When asked how the municipality plans to control roadway dust now that the use of Dombind is being phased out, she said the council wasn't sure. "We tried one product but it was of little value...we are still looking for something to keep the dust under control and not be harmful to the environment." She said that Dombind would still be in use this summer. Anthon suggested that the withdrawal of the province's approval of its use was politically motivated. "We have asked, but the province will not release the findings on which the decision was based."

Reeve Rigney advised the Canning Lake members that the municipal budget has been reduced by four percent this year. The tax bills will be sent out in four instalments, making it easier for property owners to make their payments.

He said the current budget has been maintained and some money added to the township reserves which were depleted over the past few years. "A new truck is a major purchase for a municipality of this size," he explained.

Rigney encouraged the residents to take advantage of the walking trails being developed in Snowdon Park on County Road One. He said some members of council are planning a visit to the Wye Marsh near Midland. "That facility has become an attraction for many visitors and the property is not as big as ours," he pointed out. "Perhaps the Snowdon Park could become a destination like that in Haliburton County," he speculated.

On municipal amalgamation, Rigney said, "I still

Back on track

A little more than two years ago *The Times* announced in this space that we were withdrawing our membership in the Haliburton Highlands Chamber of Commerce. It was a decision we did not take lightly, but one we felt had to be done. At the time, we had concerns about the management of the local Chamber and felt the direction it was heading was not appropriate. We expressed concern about this situation and felt our action reflected a sentiment shared by others in the business community. That sentiment was obvious in the struggle the Chamber experienced in attracting new members or even a quorum, 35 members, to meetings where key issues were

to be decided. It was at this point that we withdrew our support.

The Times has always attempted to be a booster of the community we serve. We recognize the value of organizations like the Chamber of Commerce, the BIA or other business bodies in promoting the interests of the area. Our membership and support for these groups is one way we can help this area to grow and prosper.

Recent changes at the Haliburton Highlands Chamber of Commerce have indicated a revitalization of the organization is taking place. With the Chamber getting back on track,

we are prepared to back it with our renewed membership and by encouraging others, who may have drifted away from the organization, to do the same. (Naturally, we reserve the right to voice our opinions from time to time on issues related to the Chamber.)

We believe that the Chamber can be a valuable resource for the Highlands in a number of ways and that it can do so by recognizing and responding to the needs of the members of the Highlands business community. We think the renewed Chamber of Commerce deserves our support and that of others throughout the Highlands.

jb

The letter he couldn't write

Editor:

When I was talking to you after the fantastic opening show at the Northern Lights Pavilion, I promised I would not write a letter. That means I can't say how terrific everyone was, especially Barrie Wood, all of the young people, and the cast of the scene from "Earnest". I can't tell you that, even though we have seen "Earnest" everywhere from the Royal Alex to London's West End, Caryl Moulton is the best Lady Bracknell ever. She is a comedic treasure.

Today, Sandy and I were privileged to see and hear the TSO Youth Orchestra play with their counterparts in the TSO on stage at Roy Thompson Hall.

If kids like these from Toronto and Haliburton, talented performers, become the leaders of tomorrow, Ontario should resemble Valhalla in the millennium.

However, I did not promise not to write about the front page headline in last week's Lindsay Daily Post. It said simply, "Teacher Shortage". This made my mean old heart giggle with glee. Instead of testing and re-testing experienced teachers, I hope our new Minister of Education spends all of her mandate

desperately setting up emergency training courses to provide warm bodies to place at the front of the classrooms. This has already happened at least once before.

In recent years we have graduated many fine young people who wanted

Appreciate online edition

Editor:

I enjoy reading the *Minden Times Online*, but it is a really big thrill to see my son, Ian's picture in the sports section for all to see. I would like to thank Jerry Grozelle for coming to Coboconk to watch the Coby Cardinals, follow their success and take a few pictures. Thanks again and we hope to see Jerry at the Tournament on July 25.

Kristine Watson
ktwatson@nexicom.net

to become teachers. I know of only two who hung on, did volunteer work, supply taught, and finally were taken on to permanent staff. The rest took their talents and skills to other jobs.

Mike promised to eliminate many school boards, slash administration, and put millions back in the classroom. I don't know of one graduate of A.K. 101 who has lost his or her job in administration. I do know a few who have moved up as high as director. A few new titles have even been created.

In the meantime, the old reliable classroom teacher and department heads are departing as quickly as they can. A few excellent teachers are even departing in mid-career as they see no future in the crap that is being dropped, withdrawn, and dropped again by the civil (?) servants in the education department (they are much like the civil geniuses who have totally fouled up our municipal tax system).

I hope I'm still around 10 years or so from now when the young people take over. It could be more interesting than the French Revolution.

Want full OPP detachment

Editor:

The North Victoria County Committee, comprised of local councillors and members of the OPP, held one of its regular meetings at the Bolsover Community Centre with several hundred people attempting to squeeze into a building designed for only 80 according to the fire code.

Television cameras and reporters huddled into the hot and humid building to find out the public would not be given a chance to speak about the issue of closing the Coboconk OPP detachment.

The issue came about when the County of Haliburton, with only 14,000 people, elected to have a stand alone

detachment, relegating the Coboconk station to the new Victoria detachment, with Coboconk becoming an operational office. In other words, the officers would check in at the beginning of their shift and drive into one of the newly created five zones. There would be no one left in the Coboconk office for the public to visit or phone.

The public wants an officer and a receptionist in attendance from at least 8:15 a.m. to 4:30 p.m.. The OPP was not equipped to supply the committee with the information of costs in savings with the closure or any advantage, other than administration coming under one roof. The public is asked to write to the local council and give its concerns. Unfortunately many letters were sent to councillors, but it would appear by the few questions asked by councillors, the letters must have all had the same message; "Do not close the Coboconk station!"

I am quite amazed that no one on the committee asked why 14,000 people in Haliburton County have a stand alone detachment and Victoria County with 65,000 taxpayers will have only one and not centrally located. The Victoria Detachment will be located in Lindsay (which is serviced by the Lindsay Police and also serving Ops Township.) It would appear that perhaps politics within the police hierarchy is becoming evident. It was interesting to hear one of the police administration staff state that he really cannot give the true cost to keeping the Coboconk station open.

The next meeting of this committee is July 28, in Fenelon Township, 7:30 p.m., the location to be decided. The bigger the audience, the bigger the building.

John Huke,
Somerville.

An exciting walk

Editor:

In response to Olive Morgan:

I agree with you on about always seeing bears, but until this year there was a form of number control.

Just wait a couple of years until the cubs grow up. Your walk may be a little more exciting.

As to your statement, "...meeting hunters trespassing and shooting," Call the police, they are breaking the law.

William Moss,
Hawkestone.

Thanks

Editor:

I just wanted to thank the clubs that do such wonderful work in this area. A special thanks for the money donated for the purchase of a wheelchair for my son, Richard Edwards. It was really appreciated.

Charlotte Ruttan
Stanhope

The rules

The Times welcomes signed letters to the editor on subjects of interest to our readers. Short letters are most likely to be chosen for publication, but the use of any material is at the discretion of the editor. The editor reserves the right to edit letters to meet space requirements, for clarity or to avoid obscenity, libel or invasion of privacy. Upon request, names may be withheld, but only very rarely and for compelling reasons. Letters published do not necessarily reflect the editorial policies or beliefs of this newspaper. All letters must bear the handwritten signature of the writer and include the address and phone number for verification purposes.

A penny for your thoughts?

*Money is what you'd get on
beautifully without*

*If only other people weren't so
crazy about it.*

Margaret Chase Harriman

Ever stopped to think about money? Not money the abstract. Money the concrete: loonies, toonies, fives, tens and twenties.

We're talking about paper, here. Paper and base metals. The words on the front of the coin/bill say it's worth 'X dollars'...but they're just words, folks. We would be just as far ahead swapping lead washers, plastic beads, bus transfers or bubble gum wrappers - except for the fact that with money, some government somewhere says "pay to the order of..." The stuff is only worth what somebody tells us it's worth.

I'm pretty sure that thought must have occurred to J.S.G. Boggs - otherwise, why would he have begun painting money?

That's what Mister Boggs does -

he's a graphic artist who happens to grace his canvases with representations of money. He draws painstaking replicas of American tens, twenties, and fifty-dollar bills.

And then he attempts to use them as actual currency.

Understand that Mister Boggs is no run-of-the-mill counterfeiter. His painted bills are much larger than real ones. The colours are deliberately wonky. Sometimes he messes with the wording on the bills. And he only paints the front side of the bills, and then signs the blank backside - just like a standard work of art.

And it's driving the U.S. Treasury Department absolutely nuts.

Boggs is what you'd call a Conceptual Artist. He draws, say the front side of a twenty-dollar bill, goes to a restaurant, orders a meal, then attempts to 'pay' with his artistic rendition of legal tender.

Sometimes, the waiters go for it. Sometimes they think he's a freak.

The waiters who go for it are the smart ones. There are serious art

collectors who slaver for an original "Boggs bill". They'll pay a minimum of \$300 US for one of them.

So what's the problem? Tunnel vision at the US Treasury Department. They contend that Boggs is "counterfeiting". They've had the Secret Service charge Boggs; they've confiscated hundreds of pieces of his Art. They've promised to send him to jail for a very, very long time. And every time they've dragged Boggs into court, the judges and juries have laughed in the governments gormless face and dismissed the charges. Still, the US Government is a very large adversary. Why doesn't Boggs just give up and start painting hamburgers like Andy Warhol? That's the irony of the situation: he can't stop. Boggs is counter-suing the government for harassment. He has to keep drawing funny money to earn real money to pay his lawyers. He says if the Feds weren't trying to browbeat him into not drawing money, he'd have quit doing it years ago.

The Bible tells us that the love of money is the root of all evil. It's the root of some bedrock stupidity, too.

Arthur Black Etcetera

Gun range delayed

(from page one)

well concern was expressed about the effect of noise on both wildlife and humans in the areas neighbouring the property. Dingwall noted that if the proposal was accepted by the Ministry, the issue of noise could be raised during the zoning change process at the municipal level.

Another issue was the potential of devaluation of nearby property. Dingwall noted that this may be of concern to the municipality as a whole, if property value is reduced, it could result in lower assessment for the tax base.

Other issues included the possible loss of Crown Land, the demand for an additional noise test for the public, the demand for an additional public meeting, as well as a cultural assessment from the Ministry of Citizenship, Culture and Recreation, to ensure that

there is no historical, cultural or archaeological significance to the area in question.

Dingwall noted that there were other matters raised, but these were the items the ministry was concerned with and had requested additional information. "The process comes to a little halt here as the ball is in their court," said Dingwall.

Reeve Jim McMahon noted that the municipality had been accused by seasonal residents, of holding the public meeting in the winter when seasonal residents could not attend. Dingwall assured that this was not the case.

Councillor Bill Valentine noted that he had also heard many complaints from ratepayers in the township. "People are free to object. The Ontario Municipal Board is just over the hill," said Valentine. Scott Dingwall stated that he suspected that another public hearing would not be held this summer, as the developers would have to compile the newly requested information.

Gymkhana

A fun day of horse-related games, Sunday, July 18, starting at 9:30 a.m. at the Minden Fairgrounds

Two Horsepower

The annual Norland Firefighters' Horse Pull and Car Show and Shine at Ward Memorial Park in Norland on Saturday, July 10. The event enjoyed an excellent turnout and good weather. In the quarter-century that the event has been in existence, it has never been rained out. Watch next week's edition of The Times for results.

2 home games remain in Cardinals' season

A close contest between the Coboconk Cardinals and Woodville, that started last Monday evening, ended without a winner.

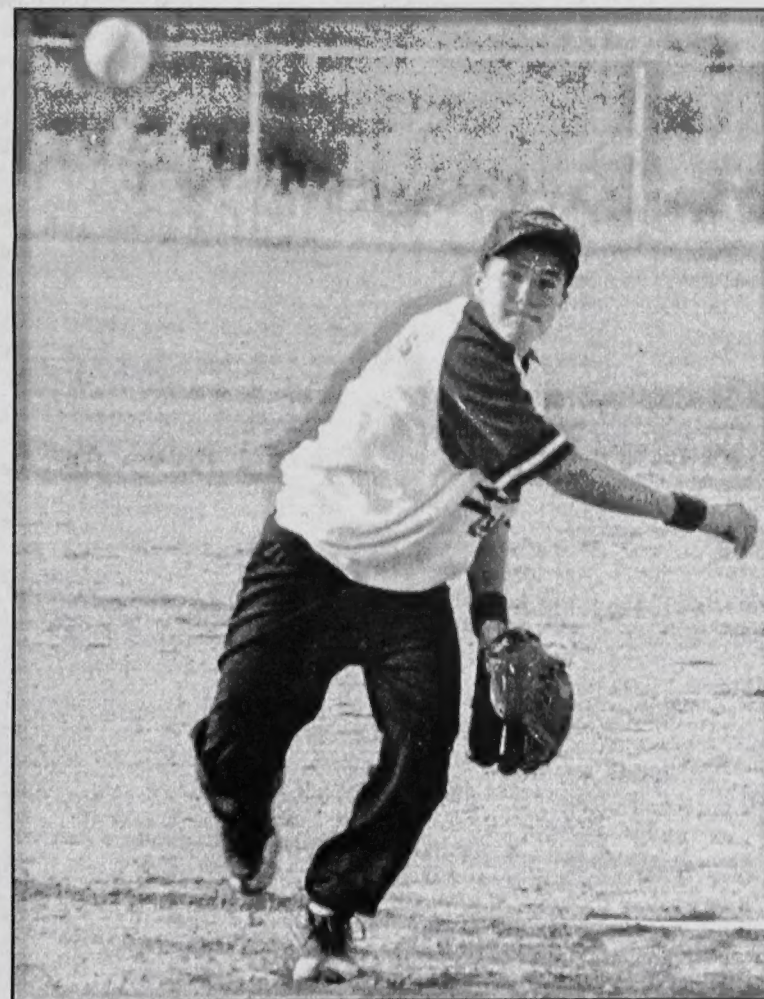

Mother Nature stepped in and asserted her authority.

The Pee wee teams from the Victoria-Brock Baseball Association tangled at the Coboconk Ball Park last Monday evening. The game had the potential to be a high scoring, knock 'em down, drag 'em out affair. Both teams took advantage of the opposition's pitcher to score several runs in the early innings, but the game had to be called because of rain before anything could be decided.

Woodville enjoyed a slim one-run lead when the deluge put an untimely end to the competition. The Cardinals didn't even get a chance to show their undefeated style in the home half of the fourth inning before the downpour hit.

The Cardinals have just two home games remaining before the championship tournament. They will play host to Omeme tonight (July 12) and the Ops team is scheduled for a return match on July 19. Games start at 6:30 p.m.

The venue for the year-end tournament hasn't been finalized, but speculation is that it will be in Coboconk on July 23 and 24.

Coboconk pitcher Mike Dean serves one up during last Monday's game against Woodville. The efforts of both teams were in vain as the ultimate umpire, Mother Nature, stepped in and ended the game after three and a half innings.

Club members excel at Senior Games

The Minden Indoor Lawn Bowling Club welcomes Tom Hurta back from a very enjoyable vacation. Tom very quickly got back into his old form and everyone appreciated having him back.

Congratulations are also extended to the winners of the gold, silver and bronze medals for lawn bowling, which were presented on June 28 at the Haliburton Legion. The bowlers were competing in the District 11 section of the Ontario Senior Games.

Remember, you can still join our club and enjoy this great sport. Give Gerry Ryan a

call at 286-3757 for details.

Trails and Tours Talk

submitted by Barrie Martin

Taking Care Of Business

A direct benefit of developing Haliburton County as a trails and tours destination is the enhancement of existing businesses and the creation of new business and entrepreneurial opportunities. There is ample evidence that trails are good for business. For example, 70 per cent of all trail users spent money on non-durable goods during their visit to the Bruce Trail. Of those 70 per cent the average expenditure per group was \$60.99. Seventy-five per cent of this amount was spent within a 10-km corridor on either side of the trail, resulting in a high local economic impact. Or consider that in 1996-97 Ontario snowmobilers spent

over \$580-million on both fixed expenses such as equipment, clothing, permits and insurance and variable expenditures incurred while snowmobiling such as fuel, food, and maps.

The possibilities for business opportunities are many. Here are a few examples:

- ◆ equipment rentals
- ◆ outfitting and guiding services
- ◆ retail sales - hats, sunglasses, sunscreen, film, water bottles, etc.
- ◆ trails and tours souvenirs
- ◆ food and beverage sales
- ◆ "picnics to go"
- ◆ instructional clinics and fitness consulting for trail users
- ◆ masseuse services for tired bodies
- ◆ shuttle services
- ◆ production and sales of audio trail and tour guides
- ◆ the carving and selling of customized walking sticks

Can you canoe?

Canoe routes are trails and Haliburton County is blessed with many kilometres of scenic waterways. Approximately 20-25 per cent of the County's area is water. Some of the best canoeing outside of provincial parks can be found in this area.

Use of the area by canoeists is increasing. However, the effort and resources spent in maintaining these routes has declined significantly in recent years. The Ministry of Natural Resources is no longer able to maintain the canoe routes to the extent that it once did. Ontario Rangers do some work each summer.

Increased use and reduced maintenance results in unsatisfied users, frustrated waterfront landowners and environmental degradation.

This is an issue that begs some attention. To that end the Haliburton Trails and Tours Network, along with the Ministry of Natural Resources, would like to facilitate a solution to this canoe route dilemma. A starting point will be a Canoe Information Meeting which will serve as a forum for anyone who has an interest or concern about canoeing and canoe routes in Haliburton County. A meeting is being planned for August 18. Stay tuned for more details.

Where It's Art

June weather

by Phil Graham

	C	F
Average high	26.4	79.5
Average low	11.3	52.3
Average for month	18.8	65.8
Average for June 1998	18.8	65.8
Highest temp. (June 7)	34.0	93.2
Lowest temp. (June 4)	2.5	36.5
Rainfall	116.8 mm	4.5 in
Precip. for last June	148.7 mm	5.8 in
Days mostly sunny	14	
Days with snow or rain	8	
Days with thunderstorms	5	

June is over and half the year is finished. Time does fly. June was a warm and quite wet month, a copy of last June. The average temperature was 18.8°C (65.8°F), exactly the same as last June. The rainfall was 126.8 mm (4.9 inches), about an inch less than last June, but still plenty of rain. There was no frost during the month, but it was close. Perhaps there was frost in areas near Minden, perhaps Scotch Line and Lochlin. There was heavy rain on June 2, 7, 14, 24, and 27.

CELEBRATION: All of Ridgewood Public School's students were involved in a gala Canada Day celebration, which was held on June 22, before the end of the school year.

Ridgewood Public School celebrated Canada Day early

More than two months in the making, the Ridgewood Public School Canada Day Celebration was held on June 22. The event received rave reviews from those who attended.

The parking lot at Ridgewood was full and both sides of Highway 35 were lined with cars for a couple of hundred yards on either side of the entrance to the school 20 minutes before the celebration was scheduled to start.

The event was the brainchild of teacher Debbie Fogwell. Even though Canada Day is after the school year is finished, Fogwell decided it wasn't reason enough not to celebrate the country's birthday.

The event featured numerous songs, performed by different age groups from the school. Most of the songs were Michael Mitchell compositions. All stu-

dents were involved in the gala celebration, which included line dancing to Canadian music. One Grade 6 class did a skit about how Canada was named.

Students were asked to wear red and white for the performance.

Amy Graham and Jamie Crittenden served as masters of ceremony for the event.

Mrs. Bowins, one of the parent volunteers, set up the sound system. She spent several hours making sure the sound was just right for the performance, which was held outdoors.

For the grand finale, the entire school sang O Canada and as if on cue, a formation of five Canada geese flew over to salute the success of the evening's entertainment.

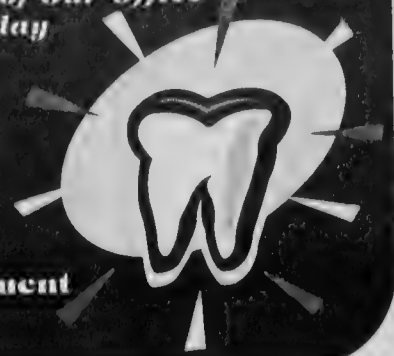

Dr. John A. Pure and Staff are very pleased to welcome **DR. MARTA SKIBINSKA** to our practice.

Dr. Skibinska has several years of experience in Family Dentistry. She is a young, caring, energetic Dental Practitioner who will complement our many services.

Dr. Marta Skibinska will be accepting new patients commencing July 14/99. Her office hours weekly will be from 9 a.m. - 5 p.m. and will include one Saturday per month.

(from page 10)

art resources is a result of hard work by the Haliburton County Development Corporation's Arts Committee. Congratulations on a job well done. I recommend the Sculptural or Mural Tour - a great way to explore the county!

The guide map at can be found at many local venues. Be sure to visit www.haliburtonarts.on.ca.

Building for the Future

The interest in trails and tours in Haliburton County, so far, is encouraging. This growing support will help ensure a quality system of trails and tours that will contribute to the local economy and provide Haliburton County residents and visitors with more and better opportunities to have fun in the outdoors and to stay healthy.

We want to expand our network of organizations, agencies and individuals who share these goals.

You are invited to join our network. Memberships are currently available for individuals and families. As a member you will receive a quarterly newsletter, discounts on T-shirts, maps and other future products and events, and a vote at the annual general meeting.

There will be opportunities to participate in projects and work with like-minded trails and tours enthusiasts. To join, watch for our brochure, visit our web site - www.trailsandtours.on.ca or contact Jan Warfield, 705-286-2410.

Organizational and business memberships will soon be available. Donations are always welcome.

Network News

The Haliburton Trails and Tours Network is officially incorporated as a non-profit organization.

We have assembled an interim Board of Directors which will guide the work of the Network. We will be having the first full board meeting in September. Our very capable team represents a broad spectrum of community interests and consists of the following people: John Ball, Peter Brogden, Graham Brogdorff, Brenda Chambers, Don Gage, Barbara Joy Peel, Wendy Ladurantaye, Derek Little, Barrie Martin, Sally Moore, Peter Overington, Ross Rigney, Linda Shadbolt, Jim Taylor, and John Thompson. Advisors include Al MacPherson, Peter Waring and Bjorn Neilson.

If you are interested in joining the Board please contact Jan Warfield.

Pair charged with impaired driving

The following report was compiled by the Haliburton Highlands Detachment of the Ontario Provincial Police.

Impaired driving

Two men were charged with impaired driving in Haliburton County last week. An OPP officer stopped a vehicle on Highway 35 in Minden Township, after observing it travelling at a high rate of speed. As a result, James MacChesney, 31 of Lisle, Ontario was arrested and charged with impaired operation of a

motor vehicle and having a blood alcohol level over the legal limit. MacChesney will appear in Minden Court on August 4.

On July 3, police investigated a collision on County Road 7 in Guilford Township. OPP officers report a Jeep Cherokee had rolled into the ditch on Bitter Lake Road, while returning to the Haliburton Forest and Wildlife Reserve.

Subsequent to the investigation, the driver, James Cummings, 45, of Vermont, was charged with having

Dean remanded to August

The following information was compiled at Minden Court on July 7, 1999.

Brian Dean, former manager of the Haliburton Highlands Chamber of Commerce appeared in court, and was remanded to ap-

Shoplifters charged

(from page 13)

a blood alcohol level over the legal limit. Cummings appeared in Minden Court on July 7 and pleaded guilty to the charge. He was fined \$500, and will not be allowed to drive in Canada for a period of one year. On his return home, he may also face a suspended drivers licence.

Shoplifters caught in Haliburton

On July 2, police charged two men after a shoplifting incident at Stedmans in Haliburton village. A store employee followed several male parties out of the store after observing what they believed to be shoplifting. OPP arrived and arrested and charged William Gamble, 19 and Jason Copper, 19, both of Holland Landing, with possession of stolen goods under \$5000 and theft under \$5000. Both men were released and will appear in Minden court on August 4.

Break, enter and thefts

On July 3, OPP investigated a theft at a residence in Guilford Township. Stolen were several compact discs, valued at \$400.

A cell phone was stolen that day, from a vehicle parked in the Jug City parking lot on Highway 35 in Minden.

A patio set and barbecue were stolen from a residence on Kawagama Lake Road in Sherborne Township, sometime since June 27.

On July 4, OPP investigated the theft of a grey nine foot Bass Hound Tri-Hull fishing boat with a two horsepower motor, from a rental cottage on Peterson Road in Stanhope Township.

A cottage on Concession Road Three in Dysart Township was all but stripped bare. Police investigated on July 3 and found that everything but the mattresses and appliances were taken.

A 14 foot Evergreen fibreglass canoe was taken from a cottage on Miskwabinish Road in Dudley Township. The canoe is valued at \$1100.

A cottage on Kennisis Lake Road in Havelock Township was broken into and several items taken. Police investigated on July 2 and discovered that a compact disc player, a tape deck, a VCR and several small items, all valued at \$2000 were stolen.

pear again on August 4. Dean was charged in late May, with three counts of possession of child pornography, one count of making child pornography and one count of unsafe storage of a firearm.

Also told to re-appear on August 4, was Luke Schell, of Haliburton, who was charged with mischief, in May after allegedly videotaping a female employee, in the wash-room of his Haliburton business.

David Charles Crawley and Dean George Mottle, of R.R.#2 Haliburton, will also re-appear in Minden Court on August 4. The pair were charged in what the police called the largest drug bust in Haliburton and Victoria

Counties, in December of 1998. Both were charged with trafficking and possession for the purposes of trafficking under the controlled drugs and substances act.

Justin Rowden pleaded guilty to mischief and assault charges, stemming from an incident during the Coby Islanders Hockey Tournament in April of this year. According to the Crown's information, Rowden was involved in an altercation at the Minden Community Centre during the tournament, and after being ejected from the premises, put his fist through a window in the door of

centre. He then threw pieces of glass at a couple of individuals. Rowden was taken to Minden Hospital where he received 68 stitches. Rowden was fined \$500 for the mischief charge, \$500 for the assault charge, must pay restitution for the broken window, attend anger and alcohol counselling, refrain from the consumption of alcohol for two years and must stay out of the community centre for a period of one year.

Eldon Smith was fined \$750 and a one year suspension of his driver's licence, after pleading guilty to an impaired driving charge. Smith was charged after being stopped for driving with no lights, on Maple Avenue in Haliburton on June 10.

The ninth annual Artisans' Festival flourished this past weekend at the Minden Community Centre. Hundreds of people perused or purchased everything from flowers to furniture, necklaces to needlework. The festival has grown over the years to fill the entire centre, showcasing many talented artists and artisans from the Highlands and beyond.

Clockwise from left:
Left: Katherine Raedts took some time to help her grandfather Kim Warne with his dolphin soapstone carving.
Top left: Shirley Gibson demonstrates the art of Japanese Embroidery.
Top right: Ryot Munshaw of Haliburton tests out this hobby horse at Diane Greavette's display.
Above: A selection of antiques and collectibles were also on display.
Right: Sara Bondett shows off some of her parent's Whimsical Wonders puzzles.

HHSS honours its 1999 graduates

The new gymnasium was filled with old memories at the 47th annual commencement ceremony at Haliburton Highlands Secondary School June 29.

Seventy-six grade 12 students and 48 OAC students will be moving on to another grade, college, university or the working world.

Principal Gary Brohman thanked all of the teachers, parents friends and relatives for working to shape the graduating class of 1999. "Everyone in this auditorium has helped these young people to get to this graduation," said Brohman.

Both the grade 12 and OAC valedictorians Sarah Burk and Logan Percy, spoke of how their experiences at Haliburton

Highlands Secondary School will help shape their future endeavors. They reminisced about some of the highlights of the past few years, and expressed the hope that the future would hold many more memories to come.

Once the diplomas were handed out, graduates lined up for photographs facing a veritable wall of light as parental paparazzi flashed and videotaped the moment for posterity.

Ontario Secondary School Graduates

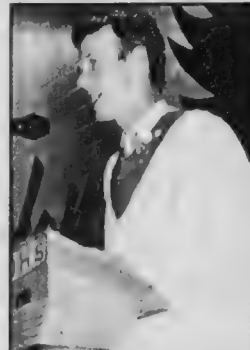

Leslie Austen, Mike Barbour, Rich Brohm, Hannah Brown, Jennifer Browning, Andrea Bull, Lisa Burk, Sarah

Piper Earl Cooper, left, received a plaque from Principal Gary Brohman, thanking him for piping in the graduates for 30 consecutive commencement ceremonies. This year's ceremony was the 47th annual for the high school.

Sarah Burk, grade 12 valedictorian.

Burk, Andrew Burch, Ben Carnochan, Shawn Casey, Jesse Chatterton, Matthew Cheeseman, Doug Clark, Lori-Ann Collins, Kristen Colliss, Amy Davidson, Ryan Day, Dave Deans, Adam Durkin, Jill Eriksen, Angela Fearrey Carolyn Ferguson, Nelson

Logan Percy, OAC valedictorian.

Water quality is still good at Canning Lake

(from page 4)

have trouble understanding why 14,000 permanent residents accept the idea of being governed by 62 elected representatives," a reference to the ten municipal council across the county. He said talks are continuing with neighbouring municipalities, including Lutterworth.

The problem of dumps continue to plague neighbouring municipalities. While the Snowdon dumps still have many years of use ahead of them, the neighbouring municipality of Glamorgan has been told it will have to close its current dump in two years. Rigney said that a new regulation which prohibits residents from one township from leaving garbage in another municipality's landfill site. He said a dumpster is being installed at one of the Snowdon sites for the convenience of Glamorgan residents who would otherwise have to travel a long distance to comply with the regulations. He also told the meeting that collection bins for recycled material will be installed at municipal dumps.

President's report

Canning Lake President Terry Wilkins told the members that the quality of the lake's water is still excellent. He encouraged the members to be environ-

mentally friendly to the lake by not bathing in the lake or using fertilizers on their lawns. He noted that an increasing number of herons are being spotted on the lake, a good sign for the environment.

The president paid tribute to the members of the association who were involved in the Pitch In Garbage (PIG) Day the day before the annual meeting. He noted that the effort collected two and a half pick-up truck loads of litter and garbage from the sides of the roads around Canning Lake. He commended Doug Shaw and his work crew for a job well done.

Drag River rehabilitation

HHSS student Amy Brandon brought the members up to date on the effort to rehabilitate the Drag River through the village of Haliburton. Taken on as a science project by the school, the effort includes the rehabilitation of a pickerel spawning bed, the creation of a walking trail and park along the river and the construction of a retaining wall to stabilize the banks. "We have received support from a number of local businesses and organization and are raising funds by selling the retaining wall bricks for \$20 each," the student told the meeting. She said the project is expected to be completed by next summer. Brandon also told the members that an information meeting about the projects is scheduled for July 13 in Haliburton.

Other matters

- Membership dues in the organization have been increased to \$25.

- Last year's membership reached 243 out of a potential 280 property owners on the lake Irv Green reported. As of Sunday 210 had renewed.

- Jim Mitchell reported that scholarships were presented on behalf of the association to HHSS students Elena Benoit and Christina Schaakelar during award ceremonies at the high school last fall. Both awards, the first for an un-

dergraduate and the second for a student going on to further education, reflect an involvement in the environment.

- Jerry Wright was the winner of the Fred Jones Bass Award for 1998. He won the trophy with a three pound bass. Those interested in competing for the trophy this year were advised that the bar has already been set exceptionally high. According to the convenor, a 5 and a half pound bass (18 inches in length) has already been registered by Ed Brown. After its vital statistics were recorded, the fish was returned to Canning Lake.

- Members were advised to ensure that their lot identification signs are placed in a location which is visible to those who may need it. "Placing it on your front door, is of no value in directing emergency services or visitors to where you live," Irv Green told the meeting. They should go at the end of your driveway facing out, and be clear of brush and overhanging branches, to be of any value to you."

- The members were reminded of up coming events, including:

- Golf Day on July 17 at Beaverbrook

- Fun Day at the Ingoldsby ball diamond on July

31

- The annual Rock bass Derby on July 24 for anglers up to age 16

Election

The proposed slate of officers was presented and accepted by the membership. Terry Wilkins was returned as president for the coming year. Assisting him will be first vice president Gus Janca; second vice president Lois Rigney; secretary David Whalen and treasurer Irv Green. Members of board of directors for the coming year will include: Gary Ford, Ed Brown, Janet Bond, Ken Marlow, Mike O'Driscoll, Reg Raby, Doug Shaw, Helene Shewchuck, Robert Taylor, Roly Wagg, George Wright, Wayne Box. Susan Henderson and June Jefford. Appreciation was expressed to retiring board members including Mike Mitchell, Reg Smith, Larry Bebenese and David Turner.

Volunteers from Canning Lake pose for a photo before heading out on their Pitch in Garbage (PIG) Day, the annual clean-up of litter along roads adjacent to the lake.

We Welcome You To Worship With Us!

Then one day, desperate and broken, I cried out: "Jesus! Jesus!" I called his name. "Please come into my life and forgive me my sins." And he heard me! It was as though he reached down and took me to himself. That day I experienced the truth of Romans 10:13: "Whoever calls upon the name of the Lord shall be saved."

Repent to Jesus, today!

Business Profile

Natural Health Store Celebrates Second Anniversary

The Alternative, owned by Nancy and Dave Rogers, is celebrating its second anniversary this month. Located in the former IGA building, at 63 Main Street, the bright and spacious retail outlet has a wide selection of vitamins, herbs and supplements. Not only will you find natural supplements, the store includes various natural therapies as well as unique gift items starting at \$8.99. "Over the past two years, we have expanded our lines of products to include what our customers have been requesting," Nancy commented.

Recently, the Sisu vitamin/supplement product line has been expanded. "Sisu, like Quest Vitamins, has a highly respected name throughout the health food industry," Nancy explained. "We try to carry Canadian products whenever possible and look for quality first. For example, our St. John's Wort is of true potency so you will know if it is working for you."

The aroma therapy corner has expanded to meet the demand of customers. "Once people realized the wide range of products which could be made from essential oils, sales really took off. The essential oils can be blended for specific symptoms such as an inhalant, bath oil, bath crystals, massage oils, creams, etc.," Nancy explained. "Specially blended oils and bath crystals make a special gift which is much more personal because it is specifically created for that person."

The Alternative also carries: homeopathic remedies; herbal remedies; herbal teas; various books; natural body care products; Circle of Friends gift wares; as well as guided meditation and Solitudes tapes and CDs. New titles are being added to the selections all the time.

Another popular attraction at The Alternative is the natural therapies available at the store. These include ear candling, re-

flexology, aromatherapy and iridology as well as the ancient art of acupuncture. If a therapy is not available through The Alternative, Nancy will help locate a therapist nearby who can be of assistance to the customer.

The Alternative, located in the former I.G.A. building at 63 main street, is celebrating its second anniversary this month.

"It is truly amazing the results people are getting from some of the natural supplements now on the market," Nancy said. "We hear from most of our customers on how much better they feel. It appears the old saying is true, 'an ounce of prevention is worth a pound of cure'."

During the month of July, The Alternative is offering many in-store specials as Nancy and Dave's way of saying "thank you" to their many customers. If you haven't visited The Alternative, now is a good time to drop by. If you are a previous customer, stop in and help celebrate the second anniversary at The Alternative.

Man dies in logging mishap

An Uxbridge man is dead after a tree cutting accident near Black Lake in Lutterworth Township.

On July 3, police were called to investigate the accident. According to an OPP press release, three men were cutting a birch tree, when a large piece from near the top of the tree fell to the ground. The chunk of tree struck one

man on the head, throwing him into Black Lake.

An off duty nurse assisted at the accident scene and performed CPR, but John Wayne Barton, 52, of Uxbridge was pronounced dead.

Barton was then transported to the Peterborough Regional Health Centre for a post mortem.

OPP Detachment office opened

Commissioner officiates

(from page 3)

On hand to officiate at the opening was MPP Chris Hodgson. "This is a historic day for Haliburton County," said Hodgson, who also thanked the officers of the detachment. He noted that on several occasions his own Haliburton Lake cottage had been the target of thieves and the local police had been quick to respond.

Chair of the Community Policing Advisory Committee and Lutterworth Reeve Jim McMahon thanked all of the member municipalities who had worked on this venture, as well as the OPP involved. "We have stability in the Hali-

burton Highlands detachment. We have officers who live here and work here," said McMahon.

The highlight of the ceremony was the attendance of OPP Commissioner Gwen Boniface. She spoke of the importance of the community partnership between the county and the police in Haliburton.

She also had praise the newly appointed Staff Sergeant, Bob Walli. "I can assure you that you have made an excellent choice here," she said. Boniface also thanked the members of the CPAC for their work with the police.

WILBERFORCE CLASS OF '99: These graduates will be moving on to bigger things at JDH Elementary School next year, but they had one last chance to get together at the Wilberforce Elementary School Awards and Graduation Ceremony on June 28. The grade six graduates include, from the left, in the front, Kanan Quibell, Amanda Lewis, Kevin Bowman, Peter Savard, Citizenship award recipient, Kristopher Durga, Chris Johnston, Most Improved award winner and Valedictorian Aaron Donaldson. In the back are, Laura Riley, the Academic Award winner, Mandy Cox, who won the Music Award, Nicole Manary, winner of both the Leadership and Athletic awards, Terry Bannon, Josh Mannell, Corey Hissa, who won the perseverance award and Tanya Hutchinson.

GOODBYE

GOODERHAM: These grade six graduates are moving on to the big school in Haliburton next year, so they were given a proper send-off at the awards and graduation ceremony on June 28. The graduates include, from the left, Chris Sayers, Valedictorian David Brindle, Ryan Bates, Josh Schultz, Jeff Smith, Tim Pettit, Stacey Robinson, Mandy Dennie, Pam Dobson, and Teacher Blake Paton.

Trent-Severn water levels report

The following report was issued by the staff of the Trent Severn Waterway July 7.

The severe rain which was received over the July 4 weekend increased water levels throughout the Trent and Severn watersheds. The Haliburton area lakes continued to decline slightly from 86.3 per cent to 85.9 per cent over the week, despite the rainfall received on Sunday. These lake levels are 6.7 per cent higher than those levels recorded at the same time last year.

Nearing the end of last week the Kawartha lake levels averaged near normal for this time of year, but the intense rains which the region received left little time for an absorption to take place. The lakes rose significantly July 4 and 5, but began to decline by July 6. The morning of July 6, a high flow media advisory was issued and the potential for the closure of the waterway was present in anticipation of more heavy rain. With sun in the forecast, flow cuts were being made the morning of July 7 to make navigation easier for boats.

Residents host treasures sale on Canada Day

A warm hello to you all. Hope everyone enjoyed Canada Day. There was certainly a lot of people about and we believe quite a few of them were at our Treasures n' Such sale held here at our home. We are happy to say that it was a huge success, raising approximately \$750 for our resident council. We are planning on using these proceeds for a new piano.

We wish to say a big thank you to all who donated items, those who came and purchased our goodies and special thanks to the following volunteers who helped out the day of the sale: Bob and Dottie, Sheila and Charlie, Corinne, and Joan. Also to Brenda and Sheila who helped out the previous day pitching in to get everything together. Everyone here is so pleased at the outcome and appreciate all that was done to bring us such good results.

The following day we were happy to have Jack and Ruth Worthington here to entertain us in the morning. The auditorium was still in need of clean up due to our sale the previous day so no Happy Hour had been planned. However, on Saturday afternoon, we were pleased that John Menzies came and provided us with great music on the piano. Our thanks to him. We welcomed Reverend Everall to our Sunday chapel service. Bert Bonnell was here to play piano during the service. Also we thank Bert for his lovely bunches of wild flowers he brought in. We thought that was very thoughtful of him. As you can see we had a fairly quiet weekend, but that was okay, as it was so hot and humid. We thoroughly enjoyed the cold drinks and popsicles that were continually given us to help us keep our cool.

Our sympathy goes to the family and friends of Hugh Lester who passed away over the weekend.

As the heat wave continued it was thought best we cancel our countryside drive that had been planned for July 5. That's two now that have been cancelled due to weather. The first one was stormy weather and now this latest one to heat. It was just as well because no one would have enjoyed travelling on a day like that. A wise decision, that's for sure. Hopefully we can re-schedule them. In place of our drive a few of us gathered and participated in a quiz. As you know, we haven't heard any results yet.

Quite a few of us attended Tuesday morning

chapel. Reverend Everall conducted the service during which we remembered Henry Howe. Henry passed away July 1, at the age of 97.

That afternoon one of our newest volunteers, John gathered with a few male residents to have a good old fashioned gab. This is known as John's Men's club and they will get together on a regular basis. According to those who

attended, they enjoyed their talk and look forward to the next one.

Marg, our volunteer who comes in and bakes with us had a special activity planned for us on Wednesday. Along with her two friends, Molly and Pam, they planned a beach party lunch with a Hawaiian theme. Those of us who were planning on joining in and enjoying the special treats, decided to earn our keep so to speak. We made our very own leis while the food was being prepared. This was a lot of fun. Then we tucked into our lunch. Fresh fruit salad, with cottage cheese and for dessert we enjoyed a fresh strawberry with custard pie. Of course we sampled some tropical style drinks, complete with the little umbrella. The whole lunch was yummy and we send our thanks to the ladies. That evening we were entertained by the Norland Hillbillies at our pub night. The music was just great and we thank them for coming.

Now we are back to Thursday again, and we will get back on schedule by having our tea party this afternoon. The Eastern Star is scheduled to host and we are looking forward to seeing them. As you know we have missed the last two weeks, so we will definitely enjoy this one.

Before we say bye, we have a couple more news items to pass on.

Vivian Anderson has left us for Bobcaygeon. She has moved there to be closer to her daughter. We also said goodbye to Ada Higginbottom who moved to Haliburton Extensicare.

We think that's it! Of course if we have forgotten anything we can catch up next week. So enjoy these summer days. Right now, the weather is more comfortable and such a lovely breeze. Take care of yourselves and to those of you who are vacationing here, welcome and have fun in beautiful surroundings. Talk with you next week.

DATE: Thursday, July 22nd, 1999

TIME: 7:00 p.m.

LOCATION: Lutterworth Municipal Office -
Highway 35, 3 miles south of Minden

FILE: A-3/99

PURPOSE AND EFFECT: Relief is requested from Section 5.23 of Zoning By-law # 4-81 to allow an addition to the existing cottage to extend 64 feet into the required setback from high water.

SUBJECT LAND: Concession 10, Part Lot 20, 19R-857, Parts 1, 5, & 8 and 19R-6564, Parts 2, 3 & 4 consisting of 1.38 acres with 197 feet of frontage on the west shore of Deep Bay, Gull Lake.

ADDITIONAL INFORMATION: is available to the public for inspection at the Lutterworth Municipal Office during regular office hours.

DATED: this 12th day of July, 1999.

(Ms.) Mary Jane Irwin, A.M.C.T.
Township Of Lutterworth
P.O. Box 850
Minden, Ontario K0M 2K0

Employment Opportunity

Advertising Design / Layout Person

The Times has an opening for an Advertising Design/Layout Person.

We are seeking a self-starter, familiar with computer layout and graphic programs including scanning. Must be a team player with good time management skills and be able to meet deadlines.

The work station is a non-smoking area.

Please submit resume to:

The Times

COUNTY OF HALIBURTON

BY-LAW ENFORCEMENT OFFICER

The County of Haliburton is seeking a qualified individual to provide education and enforcement related to the County Tree-cutting by-law. Qualifications include the following:

- A thorough knowledge of the Provincial Forestry Act, related regulations and/or exemptions as well as the County by-law
- An intimate knowledge of tree species and a thorough understanding of good forestry practice and sustainable forest management
- Very strong written and verbal communication skills to ensure tactful and effective meetings with industry representatives, councillors and municipal staff.

In order to avoid conflict of interest, the successful applicant will not be involved in any on-site logging operations within the County of Haliburton that would fall under the Tree-cutting By-law.

Qualified individuals interested in providing the required services on a 'fee-for-service' basis, should submit a comprehensive resume and letter of application by 4:00 p.m. July 31, 1999. Applications should include references and expectations for remuneration, and will be received by

Leslie A. Shepherd, CAO
County of Haliburton
P.O. Box 399, 11 Newcastle Street
Minden ON K0M 2K0
Phone (705) 286-1333 Fax (705) 286-4829
E-mail: thecounty@haliburtonhighlands.com

Around the County Town

by Nora Snyder (call 286-4450 or fax 286-4425)

We made it through the heat!! What a relief when the oppression of the humidity lifted and the air was clear again. During the height of it at one point, I was sitting on the porch with guests and it was clear they needed an ashtray. I couldn't seem to find the strength, physically or mentally, to get them one or to deal with the situation in any way at all. They continued to flick their butts into the garden and I didn't care!! That morning, too, I had hung sheets and towels on the line and at 5 o'clock they were still wet! The air was too full of moisture to absorb any more! It must have been wonderful to be at the cottage and jump into the lake when you couldn't stand it anymore. I can remember other heat waves when I was at the cottage and I felt so blessed to have that privilege of cool water at my doorstep.

Heat and all, summer is in full swing. Canada Day was a great send-off to the season. As usual the day was fun here in Minden with lots of folks in the streets. It was great to see the pictures of the young and old in *The Times* last week, especially the old, as the Kirkwoods hold a special place in my heart as previous long time owners of Minden House. It was called Laurdic in those days. I have the feeling of carrying on the tradition of this Minden home and the responsibility of preserving it for Minden.

So welcome to all our visitors and our summer residents, as we share in the beauty, the peace and the fun of the Haliburton Highlands!!

Congratulations to Phil Graham on receiving the Ontario Volunteer Service Award. Phil certainly does a great deal for our community and he certainly is a great neighbour!!

Elva Deacon informed me that her aunt, Eureka Thornton, died last week. The funeral was held Wednesday, July 7 in Woodville. Eureka was in her 111th year and was the oldest resident of Victoria Manor in Lindsay. We have followed her birthdays, which was in January, for a few years in this column, thanks to Elva, so we will miss her annual accomplishment. Our condolences to Elva and her family.

I hope you all enjoyed the Artisan Festival on the weekend. There is so much talent there in one space!! Lots of good buys too!!

Don't forget the Hot and Cold Buffet Supper at St. Paul's on Wednesday evening. There are two sittings at 5:00 and 6:30 p.m. Tickets can be bought at

Campbell's Florist.

I was asked to remind everyone that the second performance of the Concert Series which was held last night was to be held at the new Northern Lights Pavilion, not at the Haliburton Legion as announced elsewhere. I received the request too late for last week's paper, so I hope you all found your way to the right location.

Jack and Sharon Sykes and Bill and Betty Milford have just returned from Camp Shilo and Brandon, Manitoba after attending another very good reunion of the First Canadian Battalion Association, June 17, 18, 19 and 20. There were veterans there from the West Coast to the East Coast, and even a few from the U.S.A. Both Jack and Bill were in the Paratroops. They were not allowed a Parachute Drop this time. I wonder why??

The Lochlin United Church is holding a Pig Roast on Saturday, July 17 at the Lochlin Community Centre. There are three sittings at 5:00 p.m., 6:00 p.m. and 7:00 p.m. Tickets are: adults \$10; under 12, \$4; and pre-schoolers free. You can call 286-1765 for tickets and more information. It would be a great idea to combine this roast with a day on the Minden Home and Garden Tour. See all the interesting Homes and Gardens during the day and top it all off with a scrumptious meal in Lochlin. Can't think of a better way to spend a Saturday!!

The Home and Garden Tour is a big, wonderful event on Saturday July 17. Hope to see you at one of the stops along the way!!

So much to do; so little time to do it in!! We will manage!! Have a great week!!

SCORING NEWS

On July 1, they played Euchre at the Minden Legion. Margaret Fletcher and Marcel Roussel won most lone hands. Vicki Campagnolo and Joey Hevey won the high scores. Mary Wilson and Esther Lee won the lows. Other prizes were won by Vicki Campagnolo and K. Holding.

Then, on the Monday, July 5, at the Minden Legion, Verna McDonald, Thelma Lee and Joey Hevey were the top scorers at Cribbage. Pat Scadden won the draw.

The next day, the 6th, at the same

locale, playing Senior's Bid Euchre, Isabel Cherwenka, Joey Hevey, Marcel Roussel and Esther Lee won the high scores. Elva Paisley found the hidden score. Four moonshots were won, two by Isabel Cherwenka and one each by Margaret Fletcher and Joey Hevey.

Up at Club 35 last Monday evening, Jeanne Penick won the 50/50 draw and Margaret Fletcher won lone hands. Marjorie Cowen and Wally Thomson took the high scores; Helen Henderson and Stan Walters took the lows. Tom Orr won baloney.

The Friday evening before, at Club 35, playing Bid Euchre, there were six moonshots won by Stan Dutka, Tom Pearson, Marion Farr, Olive Jones, Marjorie Cowen and Alvin Cowen. Marjorie Cowen took the highest score for the women with 296. Olive Jones followed with 282 and then Sharon Evans with 266. For the men Peter Farr had the highest score of the evening with 275; Tom Pearson next with 267 and finally Rob Evans with 241. Stan Dutka found the hidden score.

The Friendship Club at St. Paul's last Monday afternoon celebrated Gladys Wruth's birthday. Which one it was is not generally known, but best wishes none the less!! Norm Lee won lone hands, Jesse Barlow was high man, Pearl Cowan high woman, Bill Mosley and Fern Donnelly, low man and

woman. Betty Barlow won the 50/50 draw.

No Duplicate Bridge at Echo Hills on July 1, but Stanhope saw a good day of Contract Bridge last Tuesday, July 6. Five slams were bid and made, plus it was a day of good solid scores. Except perhaps for the winner of the "booby prize". It was a big fight to the finish between Dorothy Strype and Betty Roszell but at the end of the day, Betty had the Shiny Penny Award put into her hand as the "winner"!! The five slams were won by Diane Boll/Helen Rice; Dorothy McIntyre/Betty Schlotter; Vange Croucher/Grace Smyth; Wally Thomson/Dorothy Strype; Betty Culley/Grace Smyth. The final scores saw Dorothy McIntyre in fourth place with 5500; third, Diane Boll, 6400; second, Betty Schlotter, 6520; in first place, Ross Fletcher with 6770.

July 7, at Park Lane, playing Duplicate Bridge, in North/South, Nick Lehoczy and Sharon Carruthers were first with 59%. Tied for second were Grace Smyth with Dorothy McIntyre and Harold Cox with Betty Dicker with 56%. In East/West, Mike Collins and Tom Hunter were first with 58%, Vange and Jack Croucher were in second with 56%.

Those are the scores for the week. Have a good one coming up!! See you here next week!!

AT REST

BARKWELL, Margaret

Entered into rest at the Frost Nursing Home, Lindsay on Monday, July 5, 1999. Marg Hannah was the beloved wife of the late Ron Barkwell. Loving mother of Bob and his wife Carol of Lindsay. Predeceased by her brother Frank. Mrs. Barkwell rested at the Mackey Funeral Home, Peel Street, Lindsay on Wednesday from 7-9 p.m. with funeral service held in the Chapel on Thursday, July 8 at 10:30 a.m. Interment at St. Mary's Cemetery, Lifford. Expressions of sympathy to St. Paul's Anglican Church would be appreciated by the family.

LESTER Hugh

Peacefully at the Hyland Crest Senior Citizens Home, Minden on Saturday, July 3rd, 1999. In his 86th year. Beloved husband of the late Gladys (nee Rozell), dear father of Edward Ray. Dear brother of Grace, Lexie and predeceased by Frances, Fern, Art, Charlotte and Bessie. Friends were invited to visit the family at the Gordon A. Monk Funeral Home, 127 Main Street, Minden from 2-4 and 7-9 p.m. on Sunday. Funeral and Legion Service were held in the Chapel on Monday, July 5th, 1999 at 2 p.m. Interment Minden Cemetery. Memorial Donations to the Canadian Cancer Society or the Heart & Stroke Foundation would be appreciated by the family.

GILBERT, Russell

At Ross Memorial Hospital on Wednesday evening, July 7, 1999 in his 72nd year. Beloved husband of the late Hazel Duxbury. Survived by his mother Ivy Peake. Loving father of Kathleen Donaldson and James. Fondly remembered by his four grandchildren. Dear brother of Albert and Alice. Friends called at the Coboconk Community Funeral Home, Cameron Street (on Hwy #35) in Coboconk on Saturday, July 10, 1999 from 1 o'clock until time of the Funeral Service in the Chapel at 2 o'clock. Interment Pinegrove Cemetery, Norland. As expressions of sympathy donations to the Canadian Lung Association or the Food Bank would be appreciated by the family.

IN MEMORIAM

UPTON - In loving memory of **Harold, Bernard and Morgan.** Our hearts are full of memories We cherish them with care, They way they had to leave us Will always seem unfair. One thing we have to tell them Of which there is no doubt They're wonderful to think about But so hard to live without. Love and miss you, **Your Family.**

STEPHENSON - In loving memory of our dear mother, Ruby Stephenson who passed away July 15, 1995. We know you are at rest from pain and fear But our memories grow dearer every year. We reminisce of the love and care If only we could tell you what's in our hearts today. A Mother's love is beyond compare, In God's home a crown you'll wear. **Ira & Wanda, Margaret, Bob & Stan.**

IN MEMORIAM

GARTSHORE - In loving memory of **Loran and Don.** A page in the Book of Memory Silently turns today. We remember you in silence And make no outward show And what it meant to lose you No one will ever know. Love and miss you, **Your Family.**

STAMP, Sid - In loving memory of my loving husband Sid, who passed away July 11, 1985. There is a bridge of golden memories From here to heaven above, It keeps me very close to you It's called the bridge of love. Every day no matter where Deep in my heart you are always there. You left a place no one can fill My love for you will never fade You walk with me down quiet paths And speak in wind and rain For the magic power of memories Gives you back to me again. Lovingly remembered by wife **Elsie & Family.**
